- the road authority, insofar as damages are caused by the condition of the roads and accessories to be used during the event, and the agents and assistants of all the aforementioned persons and bodies, except for damages resulting from injury to life, body or health caused by an intentional or negligent breach of duty - including by a legal representative or an agent of the released persons - and except for other damages caused by an intentional or grossly negligent breach of duty - including by a legal representative or an agent of the released persons; against

The waiver of liability does not apply to damages resulting from injury to life, body or health, to other damages based on an intentional or grossly negligent breach of duty, nor to damages resulting from the breach of a material contractual obligation by the released persons.

In the case of damages resulting from a slightly negligent breach of essential contractual obligations, liability for financial and property damage is limited to the typical, foreseeable damage.

The waiver of liability applies to claims arising from any legal basis, in particular claims for damages arising from contractual and non-contractual liability and claims arising from tort.

Implied disclaimers of liability remain unaffected by the above disclaimer of liability.
